

Trips and Residential Visits

Sheriffhales Primary School offer adventure residentials every other year, to all children in years 3-6, such that children have the opportunity to go in year 3 and 5 or 4 and 6. Children experience challenges, risks and adventures suited to their age group and enjoy developing their resilience and independence...with a few toasted marshmallows!

This year, 2023, we are taking our KS2 children to Bryntysilio Outdoor Education Centre in Wales.

We also arrange day trips for each class based on their current topic at a particular time during the school year.

For more information regarding our trips and residential visits, please see our school prospectus.
