Year 1 & Year 2 Learning Overview

History

How did we learn to fly?

In this unit we will be developing our knowledge of events beyond living memory and reinforcing our chronological understanding by looking at significant events. We will learn about the Wright brothers and the first ever flight. We will also learn about the significance of individuals such as Bessie Coleman and Amelia Earhart. We will learn about why the moon landing was so special and place significant flying events on a timeline. We will also be off on an exciting trip to Cosford Air Museum to find out even more about this exciting topic!

RE

Who do Christians say made the world?

In this unit, we will learn about the Christian creation story. We will learn about the key events within the story and be able to retell it using key vocabulary. We will begin to understand that some Christians believe different things about creation. We will also consider how Christians may act in response to creation and why they may choose to praise God for it.

Computing

Digital Writing

In this unit, we will develop our understanding of the various aspects of using a computer to create and change text. We will familiarise ourselves with typing on a keyboard and begin to use tools to change the look of our writing. We will then consider the differences between using a computer and writing on paper to create text.

PSHE

Citizenship

We will remind ourselves of rules we have in school and in other areas of our lives and why we need these. We will also be exploring how we are all similar yet different to other people. We will look at the range of groups people belong to, and we will understand the roles that people have in the community. We will recognise ways that we can look after our school and local environments.

No Outsiders: My world, your world

Understanding that the world we live in is shared by many different people through the story 'My world, your world'.

Year 1 & Year 2 Learning Overview

Music

Singing (Theme: On this island)

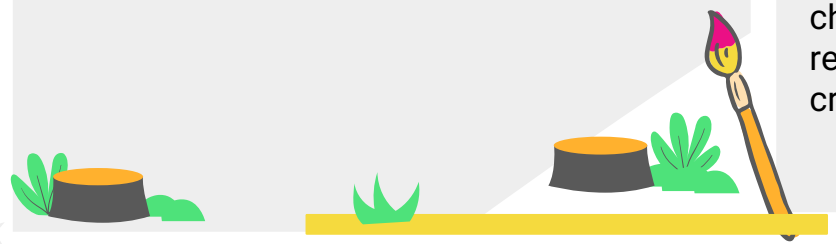

In this unit, we will learn folk songs. We will also create sounds to represent three contrasting landscapes; seaside, countryside and city.

Sheriffhales 6

Gardening

In this unit, we will be working on skills to help us to grow and take care of our garden area. We will be focusing on the following skills to achieve our gardening badge:

- To carry and use gardening tools safely.
- To grow vegetables such as potatoes, courgettes and spinach.
- To harvest vegetables such as peas and beans successfully.

Art

Craft and design: Woven Wonders

In this unit, we will be focusing on our ability to express opinions about art, use creative techniques like wool wrapping and weaving, and understand the work of artists like Cecilia Vicuna. We will devlop skills of measuring, choosing materials, and resiliance in artistic creation.

PE

Fitness and Target games

In our target games unit, we will develop our understanding of the principles of defending and attacking. We will practise both underarm and overarm actions, and we will have opportunities to decide which is best to use. We will understand the importance for rules and will work as part of groups, pairs and individually.

During our fitness unit, we will develop our understanding of the benefits of exercise and healthy lifestyle on our body, mood and health. We will complete challenges where we must persevere to do our best.
