English

All writing, spelling, grammar, puctuation and handwriting objectives will be taught through the following sequence this term:
The Last Wold by Mini Grey
- Hunting Story
- Recipes

All reading objectives will be taught and developed using the Floppy's Phonics scheme.

Reading comprehension skills are also developed using VIPERS through a range of genres.

Science

A biology focus looking at plants (Y1 and Y2):
- Identify and name a variety of common wild and garden plants, including deciduous and evergreen trees.
- Identify and describe the basic structure of a variety of common flowering plants, including trees.
- Observe and describe how seeds and bulbs grow into mature plants.
- Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.
- Working scientifically by observing closely using simple equipment (TAPS).

Year 1 & Year 2 Learning Overview

Geography

What can you see at the coast?

In this unit, we will identify geographical characteristics of the UK using maps as well as locate the seas and oceans surrounding the UK. We will explain what the coast is and investigate how people use this area. We will then explore the five oceans of the world and locate them on a map.

RE

Who is a Muslim and how do they live? Part 2

In this unit, we will find out about Islam, key beliefs and ways of living for Muslims. We will learn about some of the key Muslim beliefs about God found in the Shahadah and learn about the 99 names of Allah. We will encounter stories about the Prophet and find out about what these teach Muslims today about ways of living. We will learn about the five pillars of Islam and how these impact upon the lives of believers. We will learn about the importance of prayer and what it means for Muslims all over the world.

Computing

Programming Quizzes

In our programming quizzes unit, we will begin to understand that the sequences of commands have an outcome and make predictions based on our learning. We will use and modify designs to create our own quiz questions in ScratchJr and realise our designs in ScratchJr using blocks of code. Finally, we will evaluate our work and make improvements to our programming projects.

PSHE

Citizenship

We will look together at the needs of babies and younger children and begin to understand how democracy works both in and outside of school. We will also explore together how we can share our opinions with others.

Economic Wellbeing

We will learn about what money is, where it comes from and how people make money. We will also understand how to keep money safe and the benefits of banks and building societies.

Transition

We will discuss and celebrate all of our achievements this year and look forward to the year ahead.

No Outsiders: That's not how you do it!

Understanding that we all can do things differently using the text 'That's not how you do it!'

Year 1 & Year 2 Learning Overview

Music

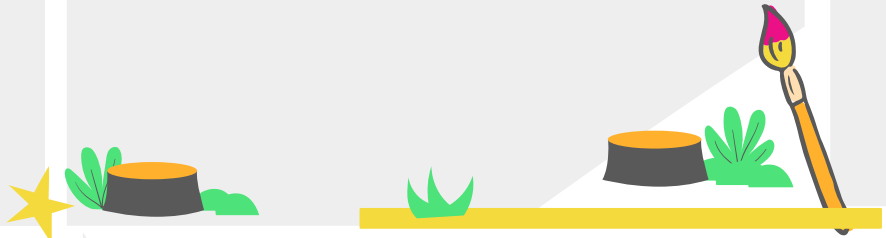

Reflect, Rewind and Replay

In this unit, we will be consolidating the learning that we have done in our Music lessons over the year. We will revisit songs and musical activities. We will also look at the History of Music and the beginnings of the Language of Music.

Sheriffhales 6

Knots

In our Sheriffhales 6 sessions, we will be introduced to basic knots. We will use the overhand knot to tie supports for plants. We will also be continuing our gardening work by picking vegetables and continuing to care for the plants in our allotment area. We will also be taking part in the big butterfly count.

D&T

Textiles: Puppets

In this unit, making puppets! We will be joining fabrics together using different methods. We will also use a template to create a design. We will then learn how to embellish our designs using learnt joining methods.

PE

Athletics and Ball Skills

In our athletics unit, we will develop skills such as running at different speeds, jumping and throwing. We will engage in performing skills and measuring performance, competing to improve our own scores against others.

During our ball skills unit, we will be developing our fundamental ball skills such as throwing, catching, rolling, hitting a target, dribbling with both hands and feet, and kicking. We will aim to increase our control and accuracy using co-ordination and balance.
