Lime Class – Year 5/6 Swimming Sessions

Dear parents and carers,

As a statutory part of the National Curriculum, children in Lime class will be attending swimming sessions for 6 weeks, starting Wednesday June 5th, 2024, and ending July 10th 2024

All sessions will take place at Albrighton School Swimming pool during school time. Children will be transported to and from the venue by coach. Sessions are fully supported with lifeguards, and we will have a qualified instructor with us as well as myself and another member of our support staff.

Pupils will require swimming costumes/trunks, towel, and goggles (optional). If your child is asthmatic, then they should also have their inhaler with them when going swimming. Please ensure that your child's uniform and towel are clearly labelled with their name.

We will be swimming on the following dates:

June 5th, June 12th, June 19th, June 26th, July 3rd, July 10th

Kind regards,

Miss Boddison
Lime Class Teacher
